

**Outline of Training Content, Training Methods and Training Timeline**

Include a detailed syllabus, course plan or outline with timeline and training methods listed

**Instructions:** Upload a copy of this document to this Instructional Plan: Outline of Training Content, Training Methods and Training Time section of the Course Approval Form.

How does the content reflect and support the objectives? Briefly describe each section of the training, including the content, the methods to be used, and the estimated time to complete each section. The rows will expand as you type or paste content

See [Course Approval Guidelines](#) for more information.

Course Title:		
Training Content	Training Methods	Training Timeline
This is a test of the form
